

Emerging Best Practices Conference

December 5-6, 2019
St. Pete Beach, FL

Support and Sponsorship Prospectus

NACBH is your partner in children's behavioral health education, outreach, and public policy advocacy; we look forward to working collaboratively with you to support providers in establishing high quality care, treatment, and services that contribute to positive outcomes for children and families.

The 2019 NACBH Emerging Best Practices Conference tackles the opportunities and challenges presented by implementation of the Family First Prevention Services Act (FFPSA). Joining NACBH in supporting the conference, you'll be advancing the work of dedicated behavioral health services providers seeking to offer care to meet the greatest needs in their communities.

The opportunities outlined below are offered to help illustrate how NACBH and our supporting organizations can work together on this important initiative. We look forward to working with you to determine if one of the suggestions below is right, or if a custom arrangement could provide even better results for you and NACBH! Support and sponsorship opportunities are based on a first-come-first-served basis.
