

# Grow With Devereux!

*Devereux Direct Care Training Resources (DCTR), founded in 1991 and located in Villanova, Pa., has developed and implemented competency-based, empirically-supported programs for staff learning and performance. These programs are provided for trainers, first-line personnel and supervisory staff, in both basic and train-the-trainer formats.*

*DCTR products and programs are utilized throughout Devereux's national treatment network and in more than 130 other behavioral health, educational and human service organizations.*

*Click here to learn more about Devereux's [Safe & Positive Approaches](#)® program.*

Are you interested in contributing to the professional growth of employees by conducting a nationally-recognized crisis prevention and emergency safety intervention training program? Do you enjoy traveling and training in a variety of behavioral health, educational and human service settings?
