

We're Growing!

Hiring Now in Western, WA & Portland, OR!

Join our team at Catholic Community Services (CCS), Family Behavioral Health. We provide intensive community-based behavioral health services utilizing a wrap-around approach.

- **Mental Health Therapist (Clinician III / I) (Master's and/or Bachelor's)** – desire experience providing community-based mental health services within multi-cultural environments.
- **Peer Counselors (Parent Partner) & (Youth Partner)** – must have lived experience as a parent of a child with complex behavioral health needs who has been a recipient of behavioral health treatment/services; or have lived experience as a child receiving behavioral health treatment/services within the last 10 years.
- **Clinical Care Coordinator (Bachelor's)** – desire experience serving children and/or families.

Our team approach includes Mental Health Therapist, Clinical Care Coordinators, and Peer Counselors working together typically serving 10 families. Catholic Community Services, Family Behavioral Health provides services in family homes and in the community, staff are based in one of our site offices located in Western, WA, or Portland, OR.
